I'm so excited to tell all of you about the products and changes that came out of the Rodan & Fields Convention in Las Vegas this past week. No – I didn't get to go, but I'm hoping to next year. These people really know how to party.

Dr. Katie Rodan and Dr. Kathy Fields kicked off the vibrant weekend with their immense vision for the future.

Our new brand campaign was announced: "Life-Changing Skincare".

Introducing:

2 week, travel-sized version of the #1 anti-aging brand, Rodan+Fields REDEFINE.

**This travel size is not meant as a sample pack since the clinically-proven results follow a 60 day period of use. Intended use is for Preferred Customers who already are using this regimen.*

Before: Even if we could board without checking in luggage, we would have to pay the additional baggage fee in both directions so that we could take our REDEFINE with us.

After: Pop them in our carry-on luggage and save the baggage fee!
